KILLESHANDRA GFC CHAIRMAN'S ADDRESS

Mar Cathaoirleach ar Chill Na Seanrátha tugann sé an-áthas orm fáilte a chur romhaibh ar fad anseo inniu leis an ath-oscailt oifigiúil Pairc Phadraig Uí Dhoibhlin. Ba mhaith liom an deis seo a thapú chun fáilte a chur roimh ár n-imreoirí ar fad atá caite agus oifighigh, árbhfoirne ar cuairt, aionna agus ár n-aoi speisialta Mícheál Ó Muircheartaigh.

As Chairman of Killeshandra it gives me great pleasure to welcome you all here today to the official reopening of Packie Devlin park. I would like to take this opportunity to welcome all our past players and officials, our visiting teams, invited guests and our special guest Mícheál Ó Muircheartaigh. This is a proud day for us here in Killeshandra. It seemed a daunting task at first and adverse weather in 2008 and 2009 delayed progress for up to twelve months but thankfully we have ended up with a fine facility for the people of our community. It is also a monument to hard work and dedication and co-operation of a small group of people. Even they would be helpless without the backing of the community. I thank everybody who helped in any way. I would like to thank our main contractor Hyland Turf Care Gowna (Michael Hyland) also our main sponsor Anslem Lovett of Cavan Box and all our other sponsors. To the Kildallan club I thank them very much for the use of their facilities over the last two years and to all our neighbouring clubs who allowed us to use their pitch in that period. A special thanks to my fellow committee members who worked so hard to bring this development to a finish.

Since the club was reformed over 50 years ago, there has been a natural change of faces in our community. We see names and faces that have left this world many at a ripe old age and some perhaps too young. We should use these memories as an inspiration for our future achievement. This book will help preserve the memories the bits and pieces that moulded the leaguers into a club of fine tradition. Our young people should take this example to ensure that this tradition will continue.

Mise le Meas,

Padraig MacOireachtaigh,
Cathaoirleach.

MESSAGE FROM COUNTY BOARD CHAIRMAN

It is a great pleasure for me to be here, with you all, on this very proud day for the Killeshandra club. As we cast our eyes over this splendid ground in this picturesque setting it should be a great source of pride to the people of Killeshandra. It is my firm belief that as an association, the contribution we make to our communities is often understated. What you as a club have done and continue to do for your entire community is invaluable.

I want to compliment your officers for having the vision, and then the strength of conviction to see their dream fulfilled, by providing these superb facilities for the children & adults of the Killeshandra area. I know this didn't happen over night or by accident. I know it took great sacrifice from all involved be they ticket seller or buyer, officer or club member, player or supporter. As a club you are flourishing on and off the field, I salute and applaud you.

I feel it would be remiss of me in this message not to mention those who contributed to this project but who didn't get to see its finality. Packie Devlin Park will be a fitting testament to all who have gone before us as indeed it will serve the people of this area for many years to come.

I wish you every success in the future and look forward to spending an enjoyable evening with you all.

MÍCHEÁL Ó MUIRCHEARTAIGH

2010 marked the end of an era in Irish sport when Mícheál, at the age of 80, announced his retirement from broadcasting. His first commentary was on a Railway Cup match, as Gaelge, in 1949 and he enjoyed a career that spanned 62 years in total.

Mícheál hails from Dun Sion, An Daingean, Chontae Ciarraí. He was a teacher by profession until he retired in the 1980's, thus allowing him to concentrate on his broadcasting duties.

He broadcasted commentaries in English on RTÉ radio from 1956 until his retirement. He also covered All-Ireland Minor Semi-Finals and Finals in both hurling and football in the Irish language on RTÉ television, for over 25 years from the inception of television coverage in 1962.

He is widely described as being a modest and down to earth man by all who know him. His lyrical and infectious commentaries will live long in the memory by all who were privileged to hear them. When you turned on a match that Mícheál was commentating on, you were guaranteed to be mesmerised.

Mícheál's unique style of interweaving the "cúpla focail" into commentaries helped to keep our national tongue alive in a meaningful way in all our lives. The long list of memorable quotes we have from Mícheál are now part of Irish Folklore.

Killeshandra Leaguers are delighted and honoured to welcome him here today to Pairc Phadraig Uí Dhoibhlin to perform the official opening of our redeveloped grounds. We would like also to take this opportunity to wish Mícheál many happy healthy years in his retirement.

FIELD DEVELOPMENT

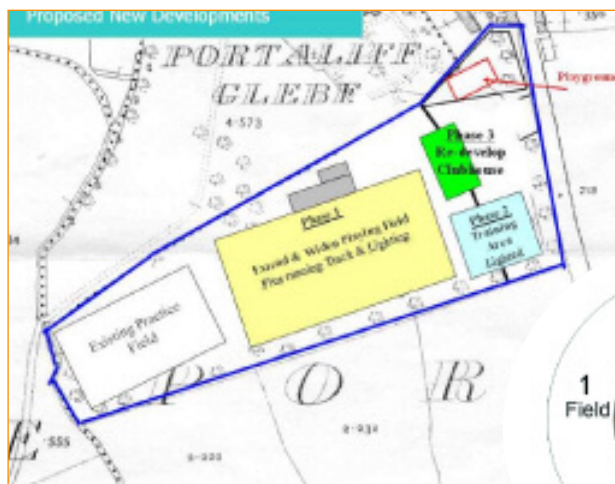

Killeshandra Leaguers acquired the present site in 1974 and played their first games here in 1975. The club originally developed the facilities in 1982. In recent times, due to the demands made on the pitch and amenities from senior, underage and ladies teams the club decided to consider a new development.

Development Committee

In early 2007 the club executive committee headed by Chairman Pat McGearty decided that a major redevelopment of our grounds was required, a finance committee was established and a decision was made to run a development draw. The draw was launched by then County Board Chairman Philip Smith.

The development committee presented a three phase to a club meeting in early 2007. This proposal involved the development on the existing site of a full size playing pitch, a new training pitch on the site of the old play ground, walking track and development of existing changing rooms. The proposal was ratified at a meeting in spring 2007. See plan outlined below

Development Committee Proposal

FIELD DEVELOPMENT

Following many months of very hard work by numerous club members who travelled most of County Cavan, parts of Longford, Leitrim and Fermanagh, selling tickets, a very successful draw was held in October 2008. Together with lottery funding of ?75,000, CLAR funding of €15,000, Ulster Council grant of €15,300? plus generous support from club sponsors and club patrons a total amount of approximately €350,000 will be spent on this development.

Contractors

Work commenced in June 2008 but extremely bad weather over two summers prevented much work being done and this delayed the project for one year. The contract for the pitch development and running track was awarded to Hyland Turf Care Gowna. Other contractors were Paddy McNamee who built the Tobermore Brick retaining wall, the erection of fences completed by Sean Brady Engineering Ltd, Tony Scullion who erected the ball stop fence, Sean Shannaghy Plant Hire ground work.

We would like to take this opportunity to thank Pat Downey and all of the FÁS employees whose work contributed significantly to this development and to Pauric Loughlin, building surveyor, for his professional advice and help on this project.

The club is very proud of this facility. It must rank as on of the best in Cavan. Much credit is due to Chairman Pat McGearty and his hard working club executive, finance and development committees and also everyone who helped in a voluntary capacity. Hopefully this facility will be a springboard for the future development of our games within our club and the wider community.

PADRAIG UI DHOIBHLIN PACKIE DEVLIN -1909 - 1951

Packie Devlin was a star of Cavan football during the county's first golden era of the late 20's and 30's. He first joined the Cavan panel in 1927 and would go on to play a part in winning the All-Ireland Junior title of that year – Cavan's first All-Ireland crown. En route to the final they defeated Armagh in the Ulster decider and in the All-Ireland semi-final they overcame Mayo. In the final against Kildare, played on the 3rd of June 1928, the Breffni men emerged victorious by 0-7 to 1-3. Packie played at right half forward on that occasion.

Devlin about to score in the 1937 All-Ireland final against Kerry – It is widely regarded as his finest game for Cavan

However Kildare were to exact revenge later on that year as both counties contested the All-Ireland senior final – the first decider at which the Sam Maguire cup was presented. The final score on the day was Kildare 2-6 Cavan 2-5. By this stage Devlin was playing at centre half forward a position he held for most of the following decade. The breakthrough for Cavan came in 1933. On the 27th of August they beat Kerry in the All-Ireland semi final in Breffni Park by 1-5 to 0-5, thus denying the Kingdom a chance of completing a unique 5 in a row of All-Ireland titles. In the final against Galway the Breffni men ran out deserved victors by 2-5 to 1-4. On the day Packie contributed two points to Cavan's final tally. Cavan collected their second All-Ireland in 1935 when Kildare were the opponents. The score line read 3-6 to 2-5. In the 1937 All-Ireland decider Cavan met Kerry and the game ended in a draw. Football followers of the time would state that this was Devlin's finest performance for Cavan. In the replay however Cavan lost a bruising encounter by 4-4 to 1-7. This defeat marked the end of a great Cavan team and a great era for Cavan football.

Packie Devlin also served his local club, known for a time as Croghan, with great distinction both on and off the field for over 25 years. During the 30's he helped Croghan win two Junior championships in 1935 and 1939. He also trained the team for a while during these years.

When playing football, Packie was noted for his slight of hand with the ball which left many a famous footballer looking into space. His high side kick from 50 yards out was always sent in with deadly accuracy straight between the posts.

Sadly Packie died aged only 42 years on the 8th of November 1951. Perhaps the man is best summed up by tributes paid to him at his funeral. The newspaper "The Irish News" stated, "His death recalls the magnificent Cavan Sextet in attack between 1933 and 1939 namely – DonalDonal Morgan, Pat Devlin, Jack Smallhorne, Paddy Boylan, Louis Blessing and M.J. Magee.

PADRAIG UI DHOIBHLIN PACKIE DEVLIN -1909 - 1951

He was regarded as one of the most brilliant tacticians his generation ever seen at Croke Park – gritty, speedy and a deadly marksman in the vicinity of the posts, Pat's gentlemanly and kindly disposition, both on and off the field, endeared him to everybody. A grand team colleague and faithful friend, his early death will be genuinely regretted by all G.A.A. folk and by a host of friends in private life."

Another of Packie's contemporaries declared, "As a footballer he had few equals, his fine physique, his superb fielding and his lengthy accurate drives ranking him as the greatest 40 yards man ever."

In July 1982 Killeshandra Leaguers acknowledged Packie Devlin the footballer by naming their new football pitch in his honour.

KILLESHANDRA LEAGUERS – A HISTORY

The first mention of Killeshandra Leaguers is in June 1888 and the following year John P Johnson is listed as the delegate representing Killeshandra on the County Board. In 1889 there were three clubs in the Killeshandra Parish, Arva Davitts, Killeshandra National Leaguers and Cornafean Tom Moronies.

- In 1890 the crime branch in Dublin Castle noted the existence of the Killeshandra National Leaguers and that they were "Ribbonmen" i.e. supporters of the Molloy Maguries.
- The GAA in Cavan as elsewhere died in 1891 and did not re-emerge until 1900. In 1901 there were two teams in the Parish, Drumanery Emmets and Killeshandra De Wets.
- 1903 the GAA was radically reformed in Co. Cavan and Killeshandra Leaguers began to feature as a well run club with a very good team. Players listed in 1906 included Benny Reilly, Paddy Gilronan, Terry Reilly, Joe Gilronan, Thomas Farrelly, John Masterson, Michael Fleming, Pat Reilly, T. Henry, J. McCormick, T. McNabal (McNaboe), B. Leddy, P. Reilly, Willie Mc Clean.
- In October 1906 Killeshandra won the Western County Final defeating Ballyconnell First Ulster's and were to play Kingscourt Sinn Feiner's who won the Eastern section in the showground's in Cavan in the County Final. The game was never played as Kingscourt refused to play in Cavan and in
- July 1907 the Senior title was awarded to Killeshandra. The Leaguers did not re-affiliate in 1907 in disgust with the handling of the aforementioned affair.
- The Leaguers had a shaky existence in the 1910's and 1920's but fielded teams in the twenties and produced players like Tom and Paddy Gilronan, John Crotty, Pat and Joe Sexton, Mick and Packie Dinneny and Paddy McCaffery
- 1932 marked the beginning of the modern era of the Leaguers and the club re-formed at an AGM held in the Market House. Officers elected were John Smith Chairman, Paddy McCaffery Vice Chairman, Tommy Connolly Secretary and Treasurer. Committee- Pat Sexton, Phil Sexton John Burns, Tommy Gilronan and John Devlin. Packie Devlin was captain of the team with Jim Connolly as vice captain.
- They were also known as Croghan at this time and beat Crubany in the 1935 Junior championship Final (*see photo of team in article on Packie Devlin*)
- In 1937 the club was suspended after a row with Belturbet
- In 1939 Croghan reached their second Junior final and they beat Crubany by a solitary point after a replay. Killeshandra (Croghan) went senior after this but only for one year

- During the 1940's many good and loyal players served the club.

Croghan 1946 team

- In the fifties the Club lapsed again but was still functioning and in 1953 a fund raising game was staged at the Castle field between current and veteran players.

OFFICIAL OPENING OF PACKIE DEVLIN MEMORIAL PARK - 11TH JULY 1982

OFFICIAL OPENING OF DEVLIN PARK, KILLESHANDRA

NEXT SUNDAY marks the official opening of Devlin Park, Killeshandra, and to mark the occasion, the President of the G.A.A., Mr. Paddy Buggy, will perform the official opening ceremony. Cavan play Longford in a senior football challenge at 4 o'clock and will be preceded by a challenge game between Killeshandra and Butlersbridge at 2 o'clock. The opening ceremony is at 3.30. The recently developed park cost approximately £85,000 and the club were assisted by grants from Central and Ulster Council and amenity grants from Cavan County Council, together with the Youth Employment Scheme. This is the last of the club development schemes undertaken throughout the county for this year to be completed with their official opening.

The park is named after Packie Devlin, one of Cavan's stars of the late twenties and early thirties and who also gave sterling service to Killeshandra club.

Packie Devlin first joined the Cavan team in 1922 but the year Cavan won its first major trophy, the All-Ireland junior championship, when they defeated Kildare in the final at Broomfield Park. Packie Devlin was at right half-forward. Five of that team appeared in the All-Ireland senior competition the same year, including Devlin, but Cavan were beaten by one point.

Packie Devlin lined out at centre-half forward against Kildare, a position he commanded to the end of the

PACKIE DEVLIN

twenty-five years. He and his brother, Johnny, were members of the junior championship winning side of the late forties.

He died in November, 1951, at the age of 42.

Football in Killeshandra parish goes back to the earliest days of the G.A.A. In 1888 there were three clubs in the parish — Arva United, Killeshandra, and Mullinaclogh. The G.A.A. subsequently were out of existence for a period and weren't reformed until 1906. The following year there were two teams in the parish, Devenagh and Killeshandra. The latter and other clubs merged in the area around 1909.

Killeshandra lived very much in the shadow of Carraneen at that time. The year 1910 saw the club produce a crop of 99 players. Amongst them were Packie Devlin, Willie Byrne, Mick Donohue and Big Tom O'Reilly, members of a large and flourishing parish. The League were reformed in 1922 and Cavan reached their first ever senior championship final in '35 losing Mullinaclogh after a replay.

In 1936 Cavan reached their second final and won the title and moved up to senior grade for 1937. The club moved up to the 1938 final

and was defeated in 1939. Killeshandra were forced to drop back from intermediate to junior, following a number of defections by players to neighbouring Kildare. Killeshandra came back to regain the junior crown in 1979 losing Butlersbridge in the final.

Other successes followed with three junior league titles in a row from 1975-80.

JUVENILE FOOTBALL

Under-age football has also been to the fore and the club won its first under-age title in 1955. They won the minor title in '55 and '56 and the minor league title the latter year also. The under-15 title was also captured by St. Joseph's (Arva-Killeshandra) in 1969.

The under-12 side together with Carraneen and Arva joined forces to win the urban under-12 championship in 1970. In 1976 under-age football was to the fore again and after several narrow defeats the minor league team won honours in 1980. The following year things were even better, the minors capturing the championship title.

Canoeing was founded in 1961 and progress is being reported, while in Soccer Killeshandra won the Soccer All-Ireland title for their seventh and last year.

PARK DEVELOPMENT

The Killeshandra Park Development Committee put a lot of work into raising the necessary funds to bring their dream to fruition. The total cost of £85,000 also included grants from the Central and Ulster Councils. Amenity Grants from Cavan County Council amounted to £6,000, while the Youth Employment Scheme, which was Government sponsored, yielded £16,000 over a two year period.

The club itself raised over £20,000 over the last three years. In the first year, £5,000 was raised and last year and this year a total of £14,000 was collected.

Cavan, whose last outing was against Leitrim in a game to mark the official opening of Gowra Park and who surprisingly suffered defeat, include Jimmy Phair (Killeshandra) in goal and also marks the return of Ollie Brady to the team at full-back, flanked by Robbie McDermott and Eugene Kieran. Jim McGarron is recalled at centre half-back and Danny Finnegan is retained at midfield where he teams up with Stephen King. In the attack, Joe Cassidy (Shroock), Derek McDermott and Mickey McEneaney is a new look half-forward line with Felim Castella, Hubert Conaty and Barry Tierney in the front line of the attack.

The Longford team includes players like John Joe O'Connell and Mick Casey in defence, and Kevin O'Rourke, former Cavan player, and Pat Mulcahy in attack.

thirty. He enjoyed his greatest success in 1930 when Cavan won their first All-Ireland title and helped the county to further success in '35. Devlin had one of his finest games in the 1937 All-Ireland drawn final against Kildare but saw his team lose the replay.

When he retired from county football he assumed Killeshandra as trainer, player and officer. For a brief period the club became known as Creggan, the name of the townland he was born in.

He acted as team captain of Creggan and later Killeshandra Leaguers for

CAVAN TOO STRONG FOR WEAK LONGFORD

CAVAN 3-12, LONGFORD 1-7

CAVAN had too much strength in depth for a very depleted Longford side in a senior football challenge game at Devlin Park, Killesno, on Sunday last. The Breffnimen were never in trouble and held the upperhand throughout. Longford, showing ten changes from their original selection, seldom threatened and it was only a late flourish which yielded the visitors a face-saving goal. It was a good work-out for Cavan, who hope to have a number of challenge games lined up during the coming weeks.

This was a game which lacked any real competitive spirit and for the most part, Cavan were well on top. The team showed a number of changes from the selected line-out with Joe Cassidy (Knockbride), Mickey McEneaney (Sharcock) and Phelim Costello (Drumaleen) absentees from the attack. Ray Cullivan, Donal Donohoe and Paddy McNamee were the replacements. The new midfield partnership of Stephen King and Danny Finnegan impressed throughout, and Finnegan in particular continues to impress many with his form.

There were a number of top-class performances in the Cavan team, notably, Jim Reilly in defence and recalled Jim McGannon at centre-half-back; Stephen King and Danny Finnegan at midfield and Derek McDonnell, Paddy McNamee, Donal Donohoe and Hubert Conaty in the attack.

The scores were level four times in the first-half, but Cavan finally made the breakthrough with a goal from Paddy McNamee right on half-time, which left the interval score, 1-6 to 0-4 in favour of the Breffnimen. A second goal from McNamee three minutes into the second-half ended the match as a contest.

With Cavan leading by 2-11 to 0-

5 entering the final quarter, Longford put in a brief challenge. Points from former Cavan and Mullingar player, Kevin O'Rourke was followed by a goal from Gerry Kiernan.

Scorers for Cavan were — Paddy McNamee 2-1, Derek McDonnell 1-2, Donal Donohoe 0-3, Danny Finnegan 0-2, and Hubert Conaty and Barry Tierney 0-1 each. Longford — Gerry Kiernan 1-0, Sean O'Neill and Kevin O'Rourke 0-3, and Jimmy Martin 0-1.

Cavan — J. Phair; E. McDermott, O. Brady, E. Kiernan; Tony Brady, Jim McGannon, Jim Reilly; S. King, D. Finnegan; Ray Cullivan, D. McDonnell, Donal Donohoe; P. McNamee, H. Conaty, B. Tierney.

Sub — J. McKiernan for B. Tierney.

Longford — T. Gallagher; P. O'Brien, T. Madden, H. Reilly; J. J. O'Rourke, K. Hughes, P. Smith; J. Martin, J. Reilly; S. O'Neill, P. Kiernan, P. Masterson; S. McInerney, Kevin O'Rourke, G. Kiernan.

Subs — G. Minnagh for H. Reilly; H. Reilly for McInerney.

Referee — Jim McCorry (Cavan).

OFFICIAL OPENING OF DEVLIN PARK, KILLESHANDRA

G.A.A. PRESIDENT PERFORMS OPENING CEREMONY

YEARS of hard work and a combination of community spirit and dedication culminated in the official opening of the new 125,000 Packie Devlin Park, Killeshandra on Sunday last. The opening ceremony was performed by the G.A.A. President, Mr. Paddy Buggy, who in the course of his address said it had been a great achievement for a club so young and hoped it would go from strength to strength as they had now a permanent home, which could only help it to prosper. The attendance also included the Minister for Transport, Posts and Telegraphs, Mr. John Wilson, T.D., Mr. Tom Fitzpatrick, T.D., Vice Gael spokesman on The Environment, Mr. Peter Harris, Chairman of the Ulster Council and Mr. Phil Brady, Chairman Cavan Co. Board. His Lordship, Most Rev. Dr. F. McKiernan, Bishop of Kilmore, imparted the Blessing.

Irishmen watched the occasion, and while the atmosphere was disappointing, it didn't detract from a fine afternoon's entertainment. In a packed Gaelic football match, Galway defeated a depleted Loughlinstown by 1-13 to 1-7, and in a hurling match, Killeshandra defeated the Bachelors by 3-18 to 2-8. The match was presided by, Mr. John McKiernan, in Cavan and Killeshandra Youth Centre.

In his welcome address, Mr. John Brady, Chairman of Killeshandra G.F.C., said that he wanted to particularly welcome G.A.A. President, Mr. Paddy Buggy to his first official visit to

the county. He had said the club's great honour in his presence, and wanted him to know that it was deeply appreciated.

Mr. Brady thanked the people of Killeshandra for their support over the past number of years and the whole community could feel proud of the park. Nothing less would have done to honour the memory of the great Packie Devlin.

"I think in particular the Park Development Committee that only have been gone as a few years and emerged, but left in a very good financial position.

Mr. Brady said a special word of thanks went due to the Chairman of the Committee, Mr. Michael

McCarthy, and a former Chairman, Mr. Andrew Garvey and the late Seamus Dolan, Mayor for their hard work. The park was proud of what community spirit could achieve in depressed areas.

FAITHFULNESS

"Today we salute the memory of the greatest Killeshandra League of them all — Packie Devlin. He was our best player and most faithful one. He brought fame to the park wherever he went. Throughout the 1930s, he remained with the League, then a struggling under team, when the lure of lucrative county championship football lured him from the net too often.

"His loyal fans will feel there is no greater championship team in 1935 and 1938 as Gaelic League.

"Today this park which bears his name is for ever a tribute to his memory, his tenacity as a player and his fidelity to his club. May he spirit live on in the youth of Killeshandra who wear the colors of Killeshandra League.

Mr. Brady also paid tribute to athletes in the park, although they hadn't won the League yet.

PRESIDENT'S ADDRESS

Mr. Paddy Buggy in

concluding his address on the opening of their club grounds said it had been a great achievement for a club so young as this one. The club was reformed in 1950, the old one having gone out of existence in 1950. A team was formed in 1957 when an area of land was purchased and which was used as a pitch and the present property came on the market.

Once the last pitch had been sold, he continued, and purchased the present site, the present development was started and completed.

Continuing Mr. Buggy said: "It is the aim of the G.A.A. that every club will have its own grounds by its centenary year, 1984, and I congratulate you on making the money this has been allocated for use."

"These funds in Killeshandra was set up in 1963 at Central Council level when, again according to 1945-50 had been made available to county grounds for development and a sum of £105,150 in direct grants to club grounds.

This amounts to a total of over one million pounds, and if one adds the grants paid by the Provincial Councils and County Boards, the total must come to well over two million pounds. The G.A.A. is often criticised on what it does with its funds, and these figures give a very good answer to the many who are critical of us in this regard."

Mr. Buggy said he was glad Killeshandra G.F.C. had been

well schooled by him and he hoped the young people of the area appreciated the facilities now available to them in Killeshandra for the playing of Gaelic football. He hoped that the local school would be enabled to provide several footballs and equipment.

"For far too long we have taken our facilities for granted, and if your club is to have a future you have to show an interest at this level and help at every possible opportunity in promoting the game of football."

STEPHEN KING – A CAVAN GREAT

When Pairc Phadraig Ui Dhoibhlin was opened in 1982 a book was published to mark the official opening and in that book there was an article title “A Rising Star”, this article was about Stephen as a young footballer already marked out as having the potential to play at the highest level in the sport.

This was very perceptive as he went on to deliver on the expectations culminating in him captaining Cavan to an Ulster title in 1997- seen below is Stephen raising the Anglo Celt Cup in Clones on Sunday 20th July.

Stephen wore the Cavan jersey for the first time as an under 16 in 1978 and went on to play minor in 1979 and 1980. He played Under 21 county football between 1979 and 1982. He made his senior debut against Meath in a challenge game in Kells on the 22nd September 1980, he then played two weeks later against Donegal in the National League in Breffni Park. Stephen missed the 1981 Ulster Championship through injury but in 1982 he started a 16 year involvement with Cavan in the Ulster Championship. He played in the 1983 Ulster Final defeat to Donegal.

He was a member of the winning McKenna Cup team in 1988, won Cavan Supporters Club player of the year awards in 1991 and 1996, he was a member of the Ulster Railway winning cup team in 1992. He also represented Ireland in the compromise series against Australia in 1987 but in 1997 his greatest achievement was as stated above captaining Cavan to the Ulster title and the scenes in Clones will be long remembered when he lifted the cup and said “ People of Cavan, the Anglo Celt Cup is coming home”. Many media commentators admired and highlighted his abilities and as Jimmy Magee the sports commentator said “Stephen King brought class to a couple of decades of Cavan teams and he fully deserved his coronation at Clones”

STEPHEN KING – A CAVAN GREAT

On Monday 21st July Stephen and his team-mates brought the Cup to his home club Killeshandra and the town was thronged with people for the occasion, bonfires were lit on the route into the town to welcome the team.

Pictured below is a section of the crowd in the town that evening

Killeshandra welcomes home Stephen, Cavan and The Anglo Celt Cup

Stephen was an all round sportsman and a gentleman on and off the field, his high fetching and his charging runs lifted his team mates and the fans also, his worth to Cavan was described very well by Fr. Dan Gallogly when he wrote "When King played well, Cavan played well"

Many memories of that night will remain with the people of Killeshandra but one lasting memory was to see Stephen sit alongside double All Ireland winner Packie Phair a resident of Killeshandra who played on the winning Cavan teams in 1933 and 1935.

Stephen King Leads Cavan in Pre-Match Parade.**

While Stephen was starring for Cavan he never forgot his Club and he was an inspirational leader and motivator in helping the team win the Junior Championship in 1983 and also when the Leaguers won two Intermediate titles in 1986 and 1991. His true loyalty and commitment to the Leaguers was epitomised in 1986 when he cut short his honeymoon to lead the Leaguers to victory against Cuchullains in the intermediate final.

When the time came to hang up his playing boots he went into the managerial side of the sport and was joint manager with Killeshandra when they won the Junior Championship and Junior League double in 2007. He now is a selector with the Cavan senior team and if his attributes with regard to commitment, passion and sheer will to win are taken on board then success cannot be far away.

Féile Peil na nÓg is a national festival of Gaelic football for boys and girls under 14 years of age. It was first held in Cavan in 1982, the brainchild of Fintan Tierney of Butlersbridge. Féile An Cabhán 1982 saw a total of 40 teams participate, 20 of whom were from other counties. It consisted of two boys divisions only – Girls first participated in 1994.

Each year approximately 25,000 boys and girls from each of the 32 counties, and some teams from the UK, Europe and USA, participate in Féile. A preliminary competition is held in each county for the right to represent the county at the Féile finals. The winning club then travels to the host county, where they are hosted by one of the clubs in that county.

Féile Peil na nÓg places great emphasis and importance on proper participation, presentation, punctuality and sportsmanship. Féile involves the whole community, clubs, schools, social and cultural groups, families, civic and religious authorities. It is recognised by the GAA as a major festival of great importance for the promotion of football among the youth of our country.

In 2008 Féile Peil na nÓg returned to Cavan and Killeshandra for the first time since 1984. Killeshandra fielded both Boys and Girls teams in the competition. The Leaguers hosted St. Patrick's Wicklow Boys and Warwickshire Girl's teams. Féile Peil na nÓg proved to be an enjoyable weekend for all involved, and although neither of our teams were successful on the field our girls did pick

up an award for Best Presented Cavan team, and Killeshandra's Conor Mc Gearty reached the skills final, narrowly losing out on the top prize.

Cathal ORourke R.I.P. and Collette McGearty acted as Féile officers over the weekend and with Una Feeney (Juvenile Chairperson) and Blaithin Higgins (Juvenile Secretary) organised a very enjoyable weekend. Killeshandra's Patricia O'Reilly acted as Cavan Féile Peil na nÓg Secretary.

During the course of the week Scoil Bhride was visited by Aaron Kiernan(Armagh) Ross Munnley(Laois) and Jason Sherlock(Dublin) also Ladies GAA President Gearldine Giles among others. The Town Parade and opening ceremony was very entertaining. A BBQ and disco were held on Saturday night for all involved in the area over the weekend.

Killeshandra Scór was founded nearly 34 years ago in October 1977. With such a wide and long established tradition of Irish music, song and dance in Killeshandra it was inevitable that Scór would generate a keen interest.

Since then Killeshandra has been actively involved in both Scór na nÓg and Scór Sinsear annual competitions. The club has been successful in many county finals in all eight disciplines – reaching Ulster finals on many occasions and being crowned Ulster champions in Rince Fóirne, Ceol Uirlise, Nuachleas and Tráth na gCeist.

History was made for club and county with the winning of the Novelty act in the Scór na nÓg All Ireland final in Limerick in 1982. This was county Cavan's first All Ireland victory in Scór.

The committee and members of Killeshandra Scór wish the Club every success with their new development and look forward to many more years of participation and enjoyment in Scór.

DECEASED CLUB MEMBERS

Since the original opening of our field in 1982 we have lost some loyal Leaguers and our thoughts and sympathies are with their families especially on club occasions like this. In particular in the last 12 months we have lost two club presidents, Paddy Smith and Jimmy Farrelly.

Paddy was a long time supporter of the Leaguers, a man big in stature and big in heart, it was always a pleasure to meet Paddy especially after the Leaguers were successful on the playing fields and his spirit and support will always be felt when the Leaguers take the field of play - Ar dheis De go rabh a anam.

Jimmy Farrelly was an avid supporter of the Leaguers and as a younger man his car was used to transport players to games. He loved to see the Leaguers been successful and even when ill in hospital in 2007; it was such a delight to see his reaction when the Junior Championship cup was brought into to him in the hospital. A resolute attendee at every AGM he would always voice an opinion, his presence like that of all deceased members will always be remembered at club gatherings and functions.

We also lost a very prominent member of our committee, Cathal O'Rourke, this man lived for the Club, he was a hard working officer and a vibrant lively influence across all areas in the club.

He helped train the underage teams, was a former senior player and a manager of our junior team as well as a player. He also was an active member of Scór and was always first to volunteer for the novelty act when the Senior Scór events were announced. He was treasurer of the club for 8 years and was an instrumental part of the team that has brought the facilities here today to fruition. The memories of Cathal are many but one would have to recall his sheer delight when the Leaguers won the Junior Championship, Division 3 League and promotion to Division 2 and then to Division 1, he would always say- "it will be great to open the field as a senior division 1 team". His talents were numerous and song writing was a particularly strong one, the song he penned in honour of the Junior Championship victory will always be with us and to recall him singing it at our celebrations in 2007 will always be special.

To the wider G.A.A. community he was known as Cathal but to us Leaguers we knew him simply as "Rourkie", a friend sadly missed. We extend our heartfelt sympathies to his family, friends and colleagues. - Go rabh sonas na blath air.

LÁ NA GCLUB

The 10th of May 2009 was chosen as Lá na gClub, a day where local clubs were at the centre of the 125 years celebrations and Killeshandra Leaguers celebrated the day by involving the whole community in our Celebrations

- We organised a schools art competition for schools 1 and 2 – the Title of the competition was “The GAA in our community”. A huge number of entries were received and these were posted on the club room walls for all to see.
- A mass was celebrated in St. Brigid's Chapel with the GAA and the Club prominent in all aspects of the service. The Scór musicians provided beautiful traditional music throughout the service and the gifts carried to the altar reflected the ethos and culture of the organisation as a whole.
- Readings and prayers including the Irish Language were read by club members
- All adult members and children turned up to the Church in the Club colours and this was a sight to behold
- After the Mass there was a photographic exhibition in the Club rooms with an array of past and present photographs on show, this generated a lot of interest and talking point.
- Tomás O’Raghallaigh gave a talk on the history of the GAA outlining where the games originated and how they developed. This was a most interesting talk and the amount of time and work given by Tomas to this was greatly appreciated.
- Refreshments were served and many thanks to all who helped with providing them on the day.

CELEBRATING **I25** years OF THE GAA

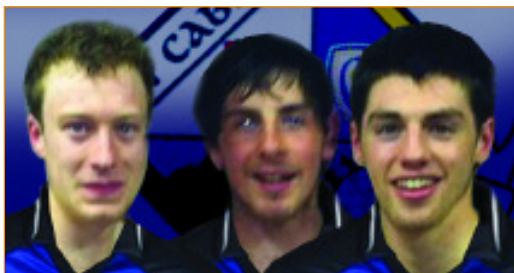

AN HISTORIC DAY FOR THE LEAGUERS

Whilst the opening of our new pitches and clubhouse are significant events in the history of our Club another very significant event is happening in Croke Park tomorrow 1st May.

Cavan take on Galway in the Under 21 football final and three members of the club are on the team.

These three young men along with their Cavan team mates carry the hopes and aspirations of all the followers of Cavan GAA teams and to see an All Ireland title return to this great football county would be a dream come through for these die hard supporters.

Paddy King, Shane Reilly and Darragh Tighe

Cavan were defeated at this level in the Ulster final in 2010 by Donegal but this present team were earmarked as potential champions having failed narrowly at minor level to Tyrone in 2008 the eventual All Ireland Champions. They won the Hastings Cup earlier in the year defeating Roscommon to claim the title. They started their Ulster challenge with a victory over Fermanagh in the first round of the competition and were victorious over Donegal at the semi final stage and then defeated a highly fancied Tyrone team in the Ulster Final in Brewster Park on a scoreline of 1-10 to 0-10 to claim the title last held by Cavan in 1996.

AN HISTORIC DAY FOR THE LEAGUERS

This was a game of the highest calibre and there were some tremendous individual performances but it was as a team that they excelled with an exceptional unselfish work rate all over the field. Paddy King scored two points late on in this game which helped Cavan get over the finish line and Darragh Tighe lined out at number four with Shane Reilly in the subs.

Cavan U21 team celebrate final victory

Three days later the team faced Wexford in the All Ireland semi Final in Parnell Park, Dublin and emerged winners on the scoreline of 1-10 to 0-8. This team made light of the three day turnaround to claim a place in the final against Galway in Croke Park tomorrow 1st May.

Action from the Semi Final

It is a tremendous honour for these lads to represent Cavan in Croke Park in an All Ireland final and for the club we are privileged to have young men who can play the game at the highest level. It is testimony to the efforts they have put in through the years but it is also testimony to a good under age coaching structure in our Club. These three lads are gentlemen on and off the pitch and are a great example to young and old, they have represented the club from age 8 upwards and their abilities were evident even at this young age. They played football at all grades in St. Patricks College Cavan and all of them represented Cavan at Under 16 and minor level and they are an integral part of the Leaguers Senior Division 1 team at present. Darra gh was a member of the DCU All Ireland winning Freshers team and a member of the Killeshandra team that won the Junior Championship in 2007. We all hope to see them along with several other club players wear the Cavan Blue at senior level in the very near future.

On behalf of Killeshandra Leaguers we wish Darragh, Paddy, Shane and all the Cavan team continued success on the playing field and we look forward to you bringing the cup home to Cavan and also on a visit to Killeshandra.
